Provision of taking part in After School Sports Club	Across the year		£198.50	<ul style="list-style-type: none"> • Children whose parents struggle to provide funding for after school clubs but children show real aptitude and talent for sport 	Continue to support and extend to other children who demonstrate talent and enthusiasm for sport.

Total spend £7198.50

Underspend of £1386.50 for the year.

The courtyard development had to be put on hold for this academic year due to the additional funding for the completion of the project not being available. It was intended that this would be carried forward to 2015-2016 for the same purpose, but it appears that it will not be possible again due to budget restrictions. The full underspend of £6386.50 will be carried forward to 2015-2016 and the school will look to use it to fund more projects to promote healthy and active lifestyles, which will be sustainable into the future.
