## The School Ethos

We are committed to creating an environment where values such as tolerance and respect are clearly present and visible in our school community. With a backdrop of Christian spirituality, everyone should feel appreciated, respect the rights of others, and have the opportunity to develop to their full potential as individuals regardless of beliefs, gender and academic ability.

**Clifton All Saints Academy is a values based school.**

***Values are things we believe in that help us to make decisions about how to behave. They are principles that guide our lives. Some of our values are thoughtfulness, respect, friendship, love... and many more, some of which overlap.***

**As such we aim;**

- To provide exciting and appropriately challenging activities within a broad and balanced curriculum, so that each child is happy, motivated and enabled to achieve his/her full potential.
- To create an environment where children feel respected, safe and valued.
- To provide a caring, secure and inclusive environment that recognises and caters for the needs of pupils, staff and parents.
- To promote a lively, enquiring approach to learning, encouraging self respect, independence and the ability to work co-operatively.
- To maintain a positive approach to behaviour management, encouraging high standards.
- To promote respect for religious and moral values with an understanding of race, religion and culture.
- To promote respect for our own and others' property and the environment in which we live.
- To achieve these aims through an effective partnership with the family and wider community.

**The School will endeavour to;**

- Provide a safe, welcoming, caring environment for children, thus encouraging learning.
- Provide a balanced curriculum within national guidelines with appropriate learning opportunities.
- Encourage children to give of their best at all times, developing independence and responsibility within the community.
- Encourage parents to be involved in school life and activities.
- Inform parents of their child's progress at meetings and by way of written reports.
- Let parents know about any concerns or problems that affect their child's work or behaviour.
- Communicate with parents if there is a problem with attendance or punctuality.
- Provide appropriate homework to consolidate or extend school based learning.
- Encourage children to show respect for all people, property and the environment.
